Job Title: Community Advisors for Multiple Needs

Responsible to: Service Manager

Salary: £23,400 - £24,822 depending on experience plus travel expenses

Contract Duration: 5 years (plus additional 2 years dependent on funding)

Job location: Hybrid – Outreach venues across **West & Central Birmingham**/Remote

Work Pattern: 37.5hours per week

The Service:

The service provides ongoing person-centered information, advice, and guidance to help adults aged 25+ including singles, couples (and their pets) and older adults 65+ with support needs to maintain accommodation, improve health and wellbeing, and set achievable goals, preventing the need for crisis intervention.

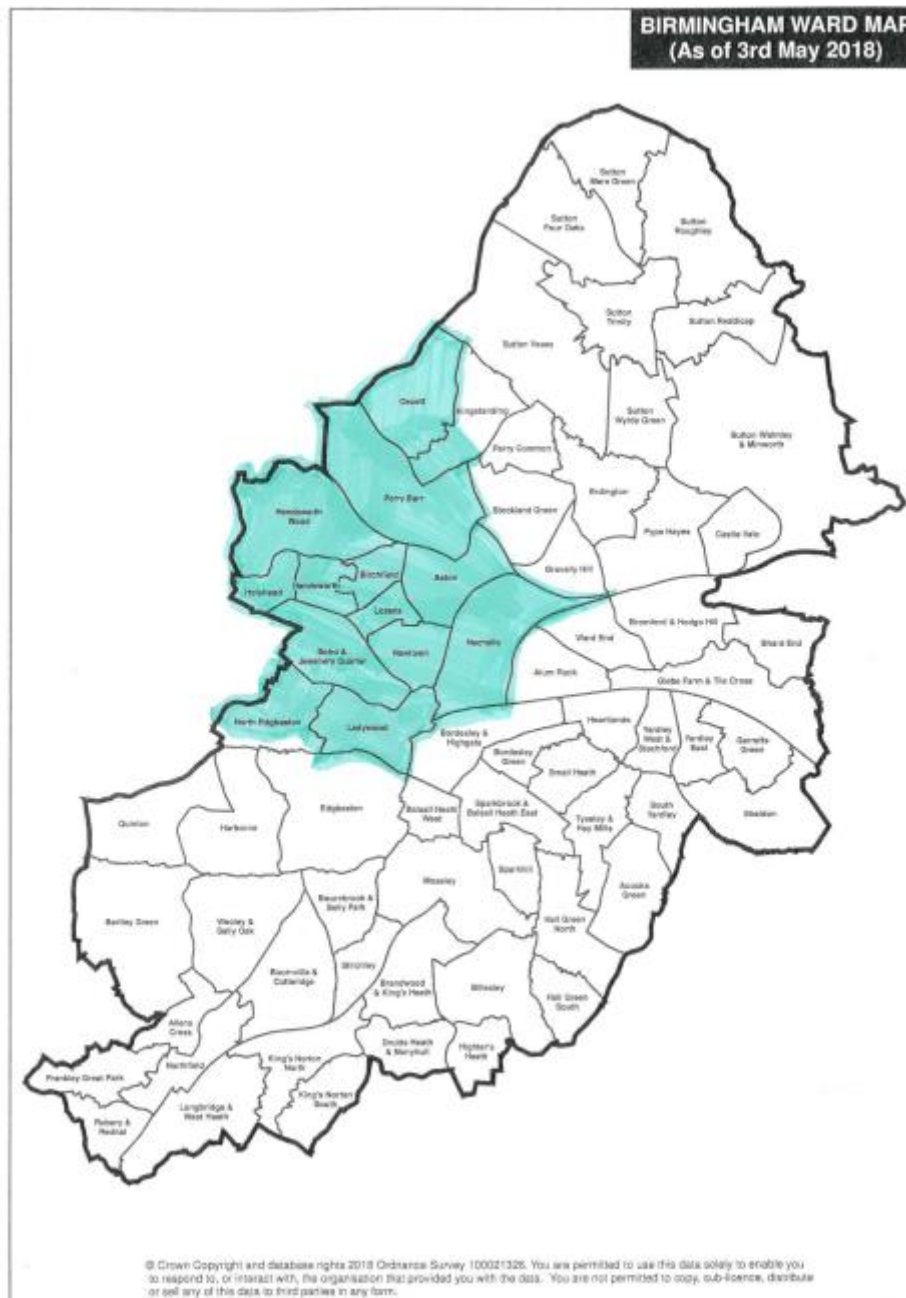

Supporting people across the 4 main quadrants of Birmingham, the service will provide accessible information, advice and guidance through a range of channels that include telephone, web, and face to face from multiple community outreach venues.

The service will provide personalized practical support that includes assisting vulnerable people to navigate and gain access to appropriate resources and networks within their local area, for example, healthcare, debt advice, and employment.

Role purpose:

Community Advisors for Multiple Needs will provide strengths-based early advice and support to improve the health and wellbeing of multiple disadvantaged vulnerable adults living within Birmingham. Working alongside multi-agency teams, the Community Advisors will provide flexible, personalised support and maintain a client caseload. The role will work with clients to formulate action plans addressing complex needs and tailored to individual goals that improve their overall wellbeing.

This role will deliver support from outreach venues across **West and Central Birmingham** as shown in the highlighted section below:

Main Duties and Responsibilities:

- Conduct initial assessments to identify client needs and develop personalised support plans that provide practical solutions to empower independence
- Provide advice and guidance on a range of issues, including housing, benefits, debt, employment, and health services
- Work as part of a wider team through a multi-agency approach, collaborating with local organisations to raise awareness of the service and strengthen the local community offering
